

CHEROKEE COUNTY SADDLE CLUB 2019 GOALS

1. Schedule and complete a series of speed events at the Nora Starks Memorial Horse Arena

Success is measured by:

- Hosting three Battle Lines Barrel Races with \$750 raised for each race:
- Hosting five Friday night Moonlight Madness speed events:
- Number of runs in these events: 100 for Battle Lines, 50 for Moonlight Madness
- Financial contribution to CCSC from these events:

Leaders for this goal are Sarah Burrell and Samantha Macaluso.

2. Sponsor the Trail Challenge competition for trail riders:

Success is measured by:

- Number of people who participate in the challenge: (17 so far)
- Number of new club members who join as a result: (2 so far)

Leaders for this goal are Kathy Siddon, Sarah Burrell, and Angie Hopkins

3. Offer at least two clinics at the Nora Starks Memorial Horse Arena to help our local riders improve their riding and horsemanship skills:

Success is measured by:

- Number of clinics held:
- Number of participants in each clinic:
- Number of new club members who join as a result:

Leaders for this goal are Sarah Burrell and Ellen Stephens

4. Complete facility improvements and obtain equipment needed to support events held at the Nora Starks Memorial Horse Arena:

Success is measured by purchasing or completing the following:

- Addition of another window to the show office: leaders are Samantha Macaluso
- An improved PA system for use at the arena: leader is Brannon Elliott
- Finishing and insulating the walls and ceilings inside the show office, contingent on completion of the extra window project: leaders are Elizabeth Hartness and Brannon Elliott
- Installation of a protective barrier around the hydrant completed last year, plus a place to tie horses next to the hydrant with footing to prevent mud: leader is Samantha Macaluso
- Installation of a railing from the concession stand down the bleacher steps, funding provided by the Cherokee County Commissioners: Leaders are Samantha Macaluso and Sarah Burrell

5. Work with Cherokee County to develop a plan for maintenance of the grounds used for CCSC events at the Cherokee County Fairgrounds.

Success is measured by the following criteria:

- Litter around the arenas is removed and the trash cans are emptied regularly to keep the area neat and odor free: This task will be managed by the Cherokee

Riders 4H club after events and will be managed by the board of directors on a rotating basis between events.

- The arenas are dragged and raked once per week during riding season to maintain safe footing, as weather permits. CCSC will develop an approved list of tractor drivers: Leader is Brannon Elliott.
- Weeds are controlled around the perimeter and under the bleachers of both the competition arena and the warm up arena. Leaders are Brannon Elliott and Ellen Stephens.
- Arenas are watered as needed before CCSC events: Leaders are Brannon Elliott And Jeff Payne.
- Add drainage tile and then extra footing material to the competition arena: Leaders are Jeff Payne and Brannon Elliott

6. Develop public support and potential funding sources for construction of a clear span covered arena in Cherokee County

Success is measured by the following criteria:

- Number of organizations who join with CCSC in supporting this project: Leaders are Sarah Burrell, Brannon Elliott, and Ellen Stephens
- Number of credible funding sources identified: Leaders are Sarah Burrell, Brannon Elliott, and Ellen Stephens

7. Continue year end awards programs for the Battle Lines Series and the Friday night speed events. Begin year end awards for the Trail Challenge.

Success is measured by completing the following:

- Raising sufficient funds from sponsorships to support spending \$3000 for the Friday night speed events and \$3000 as the CCSC contribution to the Battle Lines Series. Copper Basin Riding Club and the Union County Saddle Club will each contribute \$2500 for the Battle Lines Series. Leader is Samantha Macaluso.
- Selection and ordering of year end awards: Leader is Sarah Burrell.
