

# Cherokee County Saddle Club 2022 Trail Challenge

## Instructions for use of Equilab Equestrian Tracker Application

1. Download the following Application in either Apple/IOS or Android format from your specific carriers app store.

### Equilab Equestrian Tracker

2. Set up your profile within the application
3. Add your Horse to your profile in the application
4. IF using the FREE version you are done. Enjoy tracking your rides. Remember to screen print your training /ride track and send it to [T3Nicks@aol.com](mailto:T3Nicks@aol.com) along with other ride details such as elevation.
5. IF you have decided to subscribe to this application you will complete the additional steps:
  - a. Email [T3nicks@aol.com](mailto:T3nicks@aol.com) to request a discount code provided by Equilab for Cherokee Saddle Club Active Member only. (CCSC has no responsibility in the pricing of this application, Equilab does offer multiple promotional offers from time to time so whatever price you negotiate for your membership is acceptable. Paying annually vs. monthly is the least costly option.)
  - b. After you have subscribed successfully and set up your profile in the Equilab application email [T3nicks@aol.com](mailto:T3nicks@aol.com) with your Name as listed in the application and your horse's name. We will then add you to stable member list so that as you track your rides we can capture the data automatically.
6. For questions on this application please contact Tracey Nickolson (706) 994-0873.
